DACA/DAPA UPDATE

Free Immigration Informative Event for All

On Monday, April 18, the U.S. Supreme Court finally heard oral arguments on *United States v. Texas*, the case involving President Obama's executive orders protecting non-criminal undocumented immigrants from deportation. Two issues are in contention with the Obama policies: the expansion of the already-existing Deferred Action for Childhood Arrivals (DACA) and the creation of the new Deferred Action for Parents of Americans and Lawful Permanent Residents (DAPA). Learn the decision of the Supreme Court and how it impacts your family and our island community. Learn how we may collaborate with the San Juan Community Theatre to represent our voices and demonstrate our passion!
