

## What is Purple & Gold?

We provide positive support and encouragement to the staff and students of Friday Harbor High School.

We support both curricular and extra-curricular activities by providing both volunteer and financial support.

Each year we fund two non-renewable scholarships of \$1000, one for a boy and one for a girl, to be used toward post-secondary education.

## Purple & Gold Volunteers help the district by:

- Operating concession stand for home games
- Coordinating volunteer ticket takers for the school district

All funds from these activities go directly into the district athletic department budget, not to Purple & Gold.

## How we raise money for our scholarships & support of extracurricular activities:

- Barbecue dinner at the fair
- Tailgate barbecues during home football games
- Merchandise sales at home games
- Individual & family memberships
- Business memberships
- Marathon/Triathlon volunteer coordination

## Thanks to your support we have been able to continue supporting Friday Harbor High School's program with:

- Homecoming float fund for each class & award money
- Seasonal sports awards
- Clinics for coaches
- State tournament funds for athletes
- Staff breakfast (every other year)
- Sports fees scholarships not covered by the school district
- Supplement uniform purchases on a four-year rotating cycle.
- Two annual, non-renewable scholarships
