

The **FHHS PTSA** goal is to provide information to families, students, the school and the community by developing meaningful ways to communicate and organize services and events so that they can be informed and participate in student's education.

We believe one of the best ways to do accomplish this is through effective communication. This really is key to keeping parents informed and provides more opportunities for volunteers to help.

We have been sending out the **FHHS News**. This is an email newsletter of upcoming events. If you would like to receive it or add a special announcement, please contact Deborah Nolan, this year's president.

FHHS PTSA meetings are held at the High School on the 2nd Tuesday of each month at 5:00 pm. Everyone is welcome to attend.
