## Letter from the Principal

Dear FHHS Families,

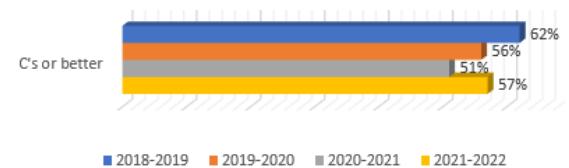

As we approach this holiday season, I am both extremely thankful and grateful for our hard-working teachers and staff, our parents and community members and our student body at Friday Harbor High School.

Looking back on November, I am very proud of all our winter athletic teams. Boys Soccer finished 4th in the state. Girls Soccer finished 2nd in their league and represented Friday Harbor in the state playoffs. The Football team ended their season as League Champions. Winter sports are underway so please show your support by attending one of our many [FHHS athletic events](#).

Looking forward, December encompasses several fun activities. Spirit week will be Monday, December 13th- 17th. Advisory classes will compete in a door decorating competition during their December 8th Advisory. Our high school band will have a concert on Thursday, December 16th in Turnbull Gym.

I would like to compliment the students on how hard they are working academically this school year. Families should have received Mid Term report cards in mid-November. We hope this gives you a snapshot as to how your student is doing so far.

This year our school improvement plan involves having 68% or more of our student body with C's or better by the end of first semester, which is January 27<sup>th</sup>, 2022. At the end of the first term, we had 63% of students meet this goal. Below is a graph of where our students have been in mid-October, the past few years. We have been steadily improving and hope to continue throughout the year.

As always, we wish to express our sincere gratitude towards our entire school community. We would not be the amazing school that we are without the help and support of all of you. Thank you, and may you have a safe, healthy, and happy holiday season.

Sincerely,

*Martin Yablonovsky*
