Hello and Welcome to the 2022-2023 School Year!

The Friday Harbor High School PTSA (Parent Teacher Student Association) is excited to encourage parents, teachers, and students to work together toward the common goal of educating and preparing our children for the future.

Why support the PTA? Your membership and donation help to invest in our students teachers/staff and community as follows:

- **Students:** Provide financial support for classroom and club activities, enrichment programs, recognition, scholarship assistance and supplies. PTA supports annual events such as Celebration of Academics and Knowledge Bowl and year-round fundraising activities that benefit our students and school by funding snacks for testing days, materials for the library and classrooms, and much more.
- **Teachers/Staff:** Makes classroom grants and organizes appreciation events.
- **Parents & Community:** Shares updates on school community activities through its Facebook page, newsletters, and monthly meetings.

Here's how you can get involved:

Become a PTA Member: Your membership and donations of time, money, and skills enable the PTA to continue to offer support to teachers and staff, the school, and your child. FHHS PTA meets the first Monday of each month at 6:30 p.m. in the FHHS Teachers' Room. Join us for a meeting or contact a PTA member to see what your donations, time, and talent make possible. Membership has the benefit of voting at our monthly meetings to determine the efforts and programs the PTA provides.

Additionally, our local PTA members get to take advantage of discounts and benefits offered by Washington State PTA at places such as FedEx office, Great Wolf Lodge, and others. Click the link to learn more <https://www.wastatepta.org/get-involved/member-discounts/>

Save King's Market Receipts: Our neighborhood grocery store generously donates 1 percent of all community purchases, so please save and drop off your receipts throughout the year at the High School office, IPS, San Juan Interiors, Aeronautical Services. A very special thank you to King's Market for sponsoring this program!
