

## **Students On Governing Boards**

The San Juan Island Board of Directors recognizes the value of communicating with students and receiving their input and perspectives. To foster this relationship with students, the board will annually seat a student representative as an advisory non-voting member of the board.

A student representative on the board is expected to attend all meetings. The student member will contribute to board discussion by providing student insight and perspective, serve as a liaison for the associated student body and report to students about the work of the board and district activities. Student representatives do not attend executive sessions, make motions or hold board offices.
