

## Acceptable Use Policy Pledge of Ethical Computer Conduct

I understand that as a digital age learner I will be honest and careful online.

I agree to...

- use the computer for school work and to learn.
- be a good digital citizen by using good manners and appropriate language.
- ask for help if I don't know how something works.
- give credit for other people's work.
- only go where my teacher tells me to.
- keep the school's computer safe and treat it with respect.
- keep my passwords private.
- **not** share personal information about myself or anyone else. This includes address, phone number, work, pictures, etc.
- tell a teacher, if by accident, I see something that is not appropriate for school. This could be on my computer or a classmate's computer.

I understand that anyone can read the messages I send and that my work on the computer is not private.

I understand these rules and promise to follow them. If I do not follow these rules I know that I may have my computer privileges restricted or taken away.

I/we have read this pledge and agree that my child will be bound by all guidelines specified in the Pledge of Ethical Computer Conduct." I/we authorize my student to use the SJISD computer resources and its connections to the Internet. I/we understand that while SJISD does its best to maintain a safe student environment, access to the Internet will necessarily involve access to information, which is not under the control of the school and for which the school assumes no responsibility. I/we agree that my student will comply with all network rules and that the school may suspend or revoke network/Internet access as the school deems appropriate. Violation of any of the guidelines herein described will result in disciplinary action, up to and including dismissal from school in certain instances, at the discretion of the school authorities.
