What is "Directory Information?"

The Federal Family Educational Rights and Privacy Act (FERPA) allows school districts to release "directory information" and/or your child's photo, to the media and others unless you request that information not be released.

If you check "NO" for an item on the other side of this page, we cannot and will not release the information specified by you. When we are asked for "directory information" about a student, we release **only the information needed for a particular news story or purpose**. By policy, **we never release information for commercial purposes.**

1. Directory Information, School District Publications, News Media Use, and Community Youth Serving Non-Profit Organizations.

Photo and Directory Information:

Directory information is defined as the student's name, grade level, photograph, address, telephone number, date and place of birth, dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, diplomas and awards received and the most recent previous school attended. (District Procedure 3600P)

When your child wins an honor or is working on an exciting project, we may want to write about it and use your child's photo or show your child's work in some of our district publications. Often local newspaper reporters are in our buildings to write stories and take pictures about student learning and activities. The PTAs and SJ Schools Foundation produce and distribute student phone directories to all of our families. We do not release information about a student to anyone who wants to use it for commercial purposes, though we do release information to the companies that are contracted to produce our student yearbooks, and photographs. ***We limit the release of information to only that which is necessary for a particular purpose approved by the District.***

2. Directory Information for Military and Colleges – for high school students only.

Military and Institutions of Higher Learning:

The military and institutions of higher learning request high school students' directory information. Because of a recent federal law, we **must** release your high school student's telephone number and address to these organizations unless you tell us not to by checking "NO" in the appropriate box of section 2, on the reverse side of this form. We provide that information to these groups after September 15th. If you check "NO" in section 2 on the other side of this page and we receive your form by September 15th, we will not release your student's directory information.
