

# SAN JUAN ISLAND SCHOOL DISTRICT PROFILE

## **SJISD Mission Statement**

To provide a world-class education through focus on superior instructional performance, meaningful student engagement, and challenging academic content for every student, every day.

## **District Goals**

- Ensure our learning environment is safe and productive,
- Ensure graduates are college and/or career ready,
- Ensure ample funding and sound financial stewardship to safeguard our capacity to do the work of educating all students,
- Ensure students who meet grade level standards are appropriately challenged and provided the support they need to be successful,
- Ensure students who are working to meet grade level standards are appropriately challenged and provided the support they need to be successful,
- Ensure that testing data and professional assessment of students is used strategically to achieve comprehension of the instructional core by all students,
- Ensure that parents, community members, students and stakeholders participate authentically in crafting educational excellence,
- Ensure that the district attracts, trains, and retains the highest quality staff members.
